# ST. ANDREW'S CONCERT.

The Concert given by the St. Andrew's Society came off very successfully in the Public School House on Monday evening last. The building was crowded to its utmost limits, there being about 150 present. Mr. Wm. Miller, President of the Society, occupied the chair. After a few opening remarks, he called upon the Rev. Mr. MacWilliam to deliver an address. Mr. MacWilliam then treated the audience to a short but very happy speech, which had the effect of putting everybody in high good humor. Miss McKee then sang "The Land of the Leal." Her fine singing was a surprise to many, but the pleasure experienced by them was all the greater because unexpected. Being loudly encored, she sang "Duncan Grey," a very pretty song in a very pretty way. The next piece on the programme was a reading from Mr. J. Thompson. All who had heard him before settled themselves down for a good hearty laugh, because they knew something funny was coming, nor were they disappointed. The piece he recited was "A Woman of Mind" which he did in his usual excellent style, making the audience roar with laughter, a tremendous encore greeted him on closing, and cries of "The Quack Doctor" told him that he would have to recite that piece before he could quiet the boys. After Mr. Thompson had recited the "Quack Doctor," Mr. Jones sang "Scotch Lassie Jean," and in reply to an encore sang, "Then You'll Remember Me." Mr. Jones is one of the best singers in town, and did full justice to his reputation on this occasion. Miss Maggie Finlayson then sang "Under the Palms," and in reply to an encore, "Erie on the Rhine." Miss Finlayson has a very sweet voice, and all present were much pleased with her singing. Two songs from Mr. J. L. Johnson, "I am thy Sentinel," and "The White Squall" which were well rendered, closed the first part of the programme.

The second part was opened by an address from his Lordship the Bishop of Saskatchewan. As a platform speaker his Lordship is perhaps without an equal in Canada, and on this occasion was particularly happy in his remarks. His address illustrated the Christian character of his very amusing, and his remarks on Scotland's favorite poet Burns, were fully appreciated by the audience. The rounds of applause which greeted him on closing, were but a feeble testimony of the pleasure he had given the audience. A piano duet by Miss MacWilliam and Mr. Cain, which was next on the programme, was executed in a manner which spoke very highly for the musical abilities of the performers. Miss MacKenzie, an old favorite, then sang "Home Sweet Home," a very pretty song which she sang in a manner that elicited great applause, to an encore she sang "Strangers Yet," which was also exceedingly well rendered and loudly applauded. Mr. Niven being next, read "I Hate Scandal," in a style which would be hard to beat, and on being encored read "Jack Tamson," both pieces were received with great applause, and then came Tom Davis, the first piece he sang was "Bridget Donahoe," and afterwards "The Elegant Bold McIntyre," and "Bedala McConn," the audience did their best to induce him to continue to another encore but failed. Mr. Davis is the favorite with a Prince Albert audience. "The last Chord" was rendered by Miss Jones in a very pleasing manner. She is quite an addition to Prince Albert's musical talent. In reply to an encore, she sang "Some Day." A Quartette by Messrs. Cain, Johnson, Jones and Parker, closed the programme, after which the audience rose and sang "God Save the Queen." The thanks of all present are due to Miss MacWilliam who played the accompaniment for most of the singers. She is certainly one of the best musicians in Prince Albert, and her playing added much to the pleasure of the evening.

# PETITION.

The following petition had been presented by the members of St. Catherine's Church: To His Lordship, the Bishop of Saskatchewan, Bishop's Court, Prince Albert, May it please your Lordship: We, the undersigned office bearers, members and adherents of St. Catherine's church, have heard with much concern that your Lordship has it in contemplation to transfer the Rev. E. Matheson from this to another charge under your jurisdiction, and while we would not wish for a moment to be understood as being desirous of any way interfering with such arrangements as you consider to be necessary for the good of the church at large, we at the same time wish very respectfully to place before you our unanimous desire that Mr. Matheson should be allowed to remain among us, adding such reasons as we humbly think may weigh with you in coming to a decision that will be in consonance with this our sincere wish. Mr. Matheson has labored amongst us for more than six years, and has gathered round him a numerous and most attached congregation. His various and at times onerous duties have invariably been discharged to our entire satisfaction, his conduct has been most exemplary and his personal influence in the parish is very great. He also, as we have good reason to know, is much attached to his people, and not only content but anxious to remain here as our pastor. We therefore regard the possibility of his removal from our midst with feelings of the utmost regret and sorrow, and we sincerely trust your Lordship will find it to be consistent with your arrangements to allow him to remain with us.

We would also respectfully urge upon your Lordship's attention that, in our opinion, no non-resident clergyman, however great his ability may be, can be expected to discharge the duties of this parish so efficiently as has hitherto been the case, and we have under the circumstances, a very strong impression, amounting almost to a certainty, that a change of the nature we have hinted at above would be highly detrimental to the best interests of this parish and of the church at large.

In conclusion, we, or at least those of us who were residents here when Mr. Matheson was placed by your Lordship in this charge, have always been under the impression that he had been put there as our minister exclusively, and that no change was likely to be made which was not concurred in by him and by us.

We therefore ask your Lordship to take our respectful request into your favorable consideration.

Wm. Hodgson, Churchwarden. James Ishister, Henry Erasmus, David Anderson, Thos. Swenson, Chas. McNabb, Joseph Fuchs, Alex. Whitford, Vestry, and also by all the heads of families in St. Catherine's parish.
